TWENTY-SEVENTH ORDER:  
RULING ON REQUEST TO EXTEND  
DEADLINE TO DESIGNATE ADI  
REPORTS

13 The Alaska Interveners filed a Motion for Extension of Deadline in Twenty-Fourth  
14 Order. The Twenty-Fourth Order established a deadline of January 26, 2004, for parties to  
15 file a motion before the Special Master if they intend to introduce in this proceeding any  
16 report or part of a report that has been prepared by the consultants for the Alaska Division of  
17 Insurance (“ADI Reports”). The deadline was established prior to the most recent extension  
18 of the case schedule set forth in the Twenty-Fifth Order. Premera filed a response objecting to  
19 the extension in general, but in the alternative, argued that the extension should not be as long  
20 as the Alaska Interveners have requested. The other parties did not object.  
21

22 After reviewing the Alaska Interveners’ motion, Premera’s response, and the Alaska  
23 Interveners’ reply thereto, and in light of the recently revised case schedule, I am extending  
24 the deadline to March 3, 2004, for any party to file a motion designating ADI Reports they  
25 desire to use in these proceedings. Any objections to such designations shall be filed by  
26

1 March 8, 2004. Except for the change in these dates, the Twenty-Fourth Order remains in  
2 effect.
